## We **understand** how hard it is to lose someone you love.

Remembering Freedom From Fistula with **in memory giving** is a meaningful way to support women and children in Africa and to honour your loved one's memory.

We are always incredibly grateful and moved to receive donations in memory of a loved one. Whether you are making a **one off donation** or holding a **collection at a funeral or memorial service**, please tell us who this special person was and a little more about why you are making the donation as we would love to say thank you.

Email [info@freedomfromfistula.org.uk](mailto:info@freedomfromfistula.org.uk)

**100%** of your donation goes directly to our projects as all administration costs are met by the Charity founder.

transforms lives

## Help us prepare for the future by leaving a **gift in your will**

Planning for the future isn't always easy and we understand that. By **leaving a gift to Freedom From Fistula in your will** you are helping us be there for the women and children we support when they need us the most.

You could be giving a future to a child victim of rape, providing a safe birth preventing childbirth injuries and preventing obstetric fistula, providing a fistula surgery to a woman suffering from this devastating injury, or providing a healthy future for children through immunisations and health checks. It is an incredible legacy to leave.

**100%** of your gift goes directly to our projects as all administration costs are met by our charity founder.

*"I thank the Aberdeen Women Centre for their support in helping me build my future and feel proud to be among my age mates and testify what I have learnt during my stay at the Hostel." Marie*

**16 year old Marie safely delivered her baby at AWC and received support and training to gain employment and a future for her and her little one.**
